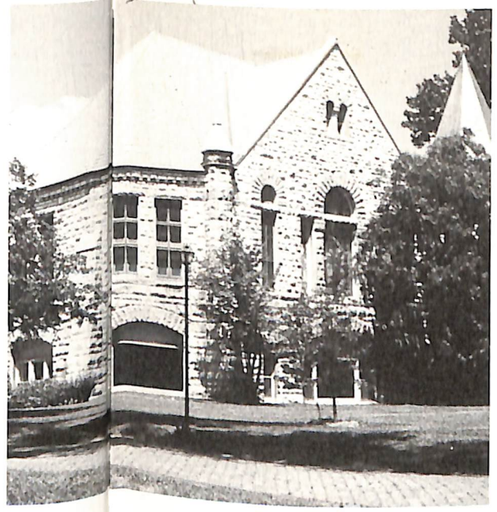
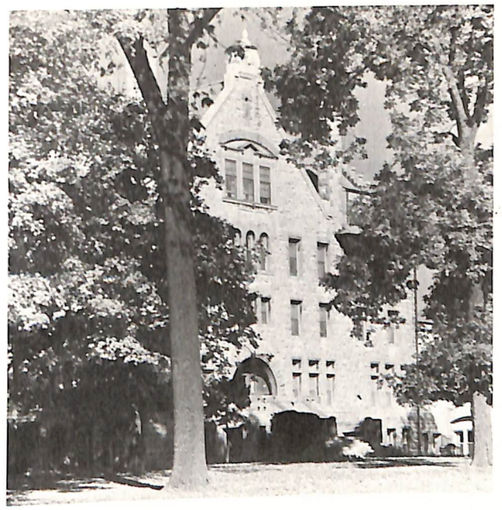
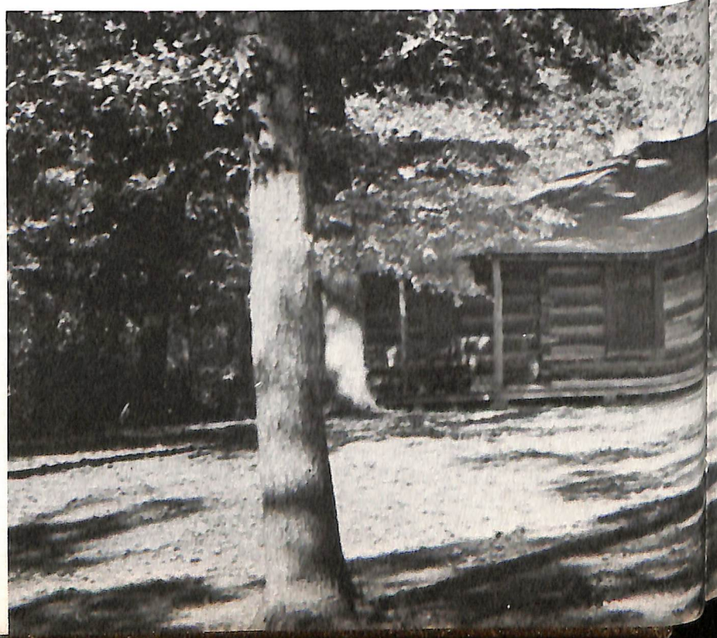
The Cabin





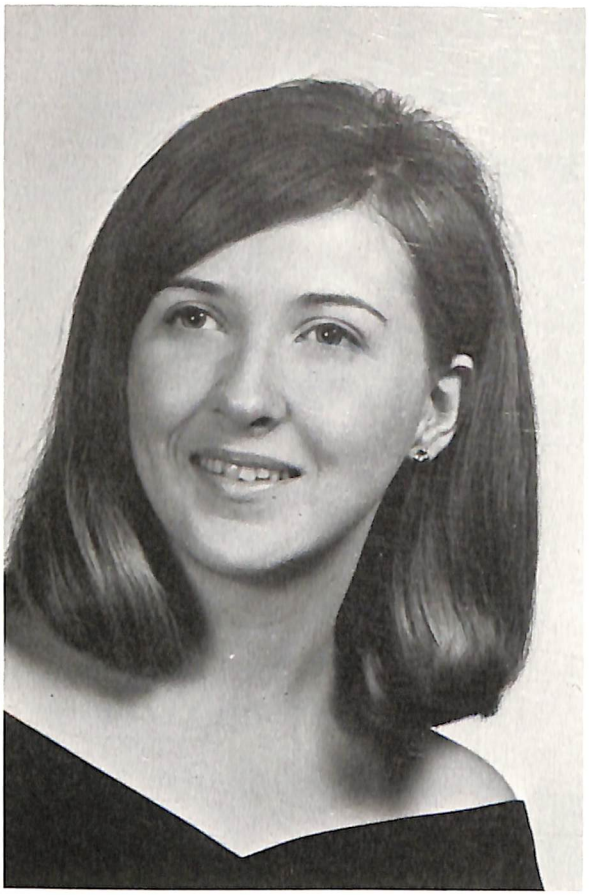
Front Campus



We proudly dedicate our yearbook to a most distinguished alumna, whose loyalty and deep affection for Monticello can only be interpreted in terms of its present strength and future growth.

As a member and chairman of the Board of Trustees, as Acting President from June until September of 1966, as friend and benefactor, you have given Monticello leadership and inspiration. Hatheway Hall, a living memorial to your mother, Mrs. Norah Dell Hatheway Whitney, given by you and Mr. Olin is the pride of our campus.

In appreciation of the love and devotion you have given Monticello, we dedicate to you the *1967 Echo,* Mrs. Spencer T. Olin.



Monticello means more to its students than simply a collection of classrooms dominated by teachers and encompassed by walls. It means more than the names Caldwell, Haskell, Hatheway, Baldwin, or Alden singly or together. It is more than a composite of maturity and youth, blended into gracious traditions and energetic progress. It is what is past, present, future. It is unique. It is all times. This intangible timelessness is what we are attempting to define in the 1967 *Echo*.

WE'RE GOING WITH YOU

Whether you knew it or not, almost every day of your school year you've used a product made by Olin Mathieson.

When Olin Industries, Inc. merged with the Mathieson Chemical Corporation in August, 1954, they brought together the skills, facilities, and resources of two of the country's most rapidly expanding industrial organizations.

We extend our best wishes to you. May the future bring you all you've hoped for and everything for which you have worked.
